Company Overview

Norcal Roofing is a premier roofing contractor in Northern California, specializing in high-quality roofing solutions for residential, commercial, and industrial clients. Established in 1994, we have built a reputation for excellence, reliability, and innovation in the roofing industry.

Our journey began with humble beginnings, working from the ground up. Initially, we operated from home, gradually building trust among our clients. We are continuously improving and evolving, to adapt to the industry changes but our aim remains to deliver the highest quality service and products at a fair price.

Differentiators

Over 30 years in the roofing industry, established in 1994. Proficient in residential, commercial, and industrial roofing solutions. Commitment to high-quality materials and innovative roofing techniques, combined with high skill tradesmen we deliver top quality service and customer satisfaction. Focus on customer satisfaction and personalized service, we adapt to our client's unique needs. Active involvement in local community projects. We are always interested in knowing how we can serve our community. Sustainable and environmentally friendly roofing practices. Rigorous safety standards and continuous employee training. Successful completion of complex projects on time and within budget. Adherence to all relevant industry standards and regulations.
